Cascade, IA 52033

Dear Parent/Guardian,

Thank you for showing interest in sending your child to Aquino Catholic Elementary School for 4-Year Old Preschool for the 2012-2013 school year. We welcome you to the Aquino System. After this Open House, we hope you find Aquino to be a place that nurtures your child in their faith and educational development.

The following is important information regarding 4-Year Old Preschool Registration at Aquino.

- Please complete the **Community Based Pre-K Student Registration Form** as soon as possible so we can reserve your child's spot for the 2012-2013 school year. Enrollment numbers will help determine if we have one or two sections of 4-year old preschool.
- Take the **Preschool Health Assessment Record** with you when you go for the physical exam. This form will be completed by the personnel at the doctor's office. Please fill in the top part of this sheet before you go to the appointment.
- Please complete the **Authorization Form** (5.1 health information).
- As a part of your back-to-school preparations, it is also recommended that you take your child and the green **Student Vision Card** to your family eye doctor for a complete eye health examination.
- All of these forms need to be returned to school in August when school starts. You may bring them to school as soon as they are completed if you wish.
- All families will be required to register electronically (general information, permissions, etc.) over the summer (information to be sent out at a later date).
- Programming: Three days of 4-year old preschool (Monday, Tuesday and Wednesday) are offered at no cost. If you choose to send your child for the fourth day (Monday, Tuesday, Wednesday **and** Thursday), it will be at a minimal cost (to be determined). Currently it is \$65/month, but that may increase.

Please feel free to contact me if you have any questions.

God Bless,

Mary Yamoah, Principal
