

**Why Choose Aquin's Before/After School Program?**

- **It's Safe!** The school age program ensures the appropriate number of staff to monitor children and is licensed and regulated by the Department of Human Services.
- **It's Convenient!** Aquin Elementary students are dismissed to a designated meeting area. Cascade Elementary students are bused to and from Aquin Early Childhood Center.
- **It's Dependable!** The center is open all year long, even when school is closed for break or weather!
- **It's Fun!** Students have planned games and activities to participate in each day! During the summer we go on field trips and participate in other fun activities!
