

E-Registration is GONE!

However, PowerSchool has a NEW section titled "FORMS"

FORMS is now where you will update all information about your student for our school!

EASY as 1-2-3

1. When you log in with your parent account look on the left side of the screen for the Forms section. (under the More... section on the app)
 2. Please Complete ALL required forms. If your student attended Aquino this past year, then most of your information has been saved!
 3. Click a Form to get started and press SUBMIT at the bottom as you go. You can now see the status of your forms at the top of the page and are able to jump ahead if you need to edit information later.

A promotional graphic for the PowerSchool app. It features a large blue square with a white 'P' logo on the left. In the center, text reads "GO TO THE POWERSCHOOL APP FOR:" followed by a list of features: "Forms- NEW", "Grades", "Assignment Info.", "Attendance", "Lunch Account Balance", and "And More!". To the right is a photo of a hand using a tablet. At the bottom, there are three smartphone screens displaying the app's interface. The text "CODE: TSQP" is repeated twice in a stylized, yellow font with a drop shadow, one on the left and one on the right. The entire graphic is framed by a white border with small red triangles at the corners.
